

# BABE'S GARLAND RESTAURANT FACTS

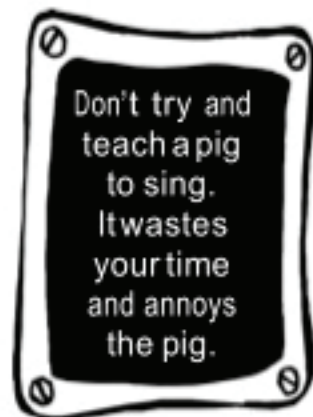

- ✦ The Fire Truck out front is a 1976 International - which served the city of Sherman, Texas. Since that time it has been re-purposed for use by the TDOCC (Texas Department Of Chicken Control). For more information about its new mission, please request a copy of TDOCC document 89912.233ea from your server or other representative.

- ✦ The Sword Fish on the wall belonged to a good customer from Roanoke, Texas.

- ✦ The hanging schoolhouse lights came from the now closed Pontchartrain Restaurant.

- ✦ We also have several Pontchartrain tables and some of their exterior doors.

- ✦ The tables and chairs have all come from other Restaurants and homes.

- ✦ The cashier's light and the porch lights as well as the restroom and hours sign came from the Stonewall Jackson Elementary on Mockingbird Lane in Dallas; built in the 1930's.

- ✦ The "Bull" horns are from the African Watusi. These particular horns were mounted over 75 years ago near Fredericksburg, Texas.

- ✦ Bluebonnets aren't the only Texas blooms that put on a sensational show. Garland is famous for its signature "firewheel" – a wildflower that flourishes across the area in spring and summer.

- ✦ Our Honey is TEXAS BRUSH HONEY made from bees visiting Catclaw, Mesquite, White Brush, Huajillo and Persimmon. This should be good for local folk's allergies.

- ✦ A dessert of homemade biscuits with butter, honey and sorghum comes with your meal. This is a typical country dessert we grew up eating. SORGHUM (the jar on the table that isn't honey). Sorghum does not have the strong bitter taste of Molasses.
