We sure don't do things like everybody else—and that's just how we like it. Hope y'all love it as much as we do!

Ever sat around the table tellin' your family how you'd do it if you opened up a restaurant? You know — use Grandma's fried chicken recipe, make sure folks are friendly, and serve up food that actually fills you up? Well, that's how Babe's Chicken Dinner House came to be! We wanted a place where folks could kick back, feel at home, and not worry 'bout what they're wearin'. Blue jeans, cutoffs, Sunday boots - come as you are. Around here, it's your neighbors doin' the servin, and we treat you like family...the kind you actually like.

We didn't drop a fortune on some fancy spot. Nope—we put every penny where it counts... in the food! We don't do a ton of advertising, so we count on good folks like you to help spread the word. So gather up them kids, grab Aunt Hazel, and come on over - but maybe leave the dog at home - unless he can wash dishes. And bring your appetite, 'cause you're gonna be real surprised how far your dollar stretches 'round here!!
